ABOUT ME

I am a dedicated front-end developer with a passion for creating visually appealing web applications. I have experience in HTML, CSS, JavaScript, TypeScript, and ReactJS, which I gained while working on a commercial project after completing my studies at the Baltic Technology Institute. During this project, I was responsible for the front-end development and worked collaboratively with a team to create responsive designs and React components.

STUDIES

2021-2022
FRONT-END WEB DEVELOPER
"Baltic Institute of Technology"

2000-2005
BACHELOR OF ECONOMIC
"University of Šiauliai"

"Reaching For Zero"

2020-2023
Personal projects at www.stonkus.lt

2004-2006, 2017-2022
PROJECT MANAGER
"UAB NIRLITA"

2006-2017
MANAGER
"UAB DIDMAX"

EXPERIENCE

2022-2023
JUNIOR DEVELOPER
"Reaching For Zero"

- Work on project - an online questionnaire with user and admin panels, tailored to the specific functionality required by the client's company
- Creating the frontend part, using React components and programming languages such as JavaScript and TypeScript
- Working as part of a team, utilizing Git and Github for file versioning
- Utilizing CSS, SASS, and Bootstrap styling techniques. The design - responsive and suitable for both mobile and larger screens

2020-2023
Personal projects at www.stonkus.lt

- Warfarin Dose Calendar - built with ReactJs, NodeJs, Bootstrap, and of course, all written in JavaScript
- Portfolio website - was built with React, JavaScript, and Mui
- Basketball Match Simulator - I made this one with vanilla JavaScript and NodeJs
- Flights Crawler - the Python code which gets outbound flights from a real airline company website
- Snake AI Turtle - I have an interest in machine learning, so I built the snake that learns by itself to eat a meal with Python

2004-2006, 2017-2022
PROJECT MANAGER
"UAB NIRLITA"

- Designing of logistic warehouses, selection of equipment and installation
- Maintaining business customer relationships
- Developing and implementing projects, organizing employees
- Organizing supply from foreign countries, participation in international trade fairs

2006-2017
MANAGER
"UAB DIDMAX"

- Wholesale trade of sports footwear
- Organization of sports club activities
- Organization of advertising campaigns
- Working with business clients
